

TELL CLEARWIRE TO **CLEAR OUT!**

No cell towers on residential streets.

Clearwire have submitted an application to the city for a cell tower on the utility pole at 37th and Fremont. The city typically approves the application in less than two weeks.

Please join us to show your opposition to this proposed tower and all cell towers on residential streets in Portland.

Demonstration & Bake Sale
Tuesday June 1st 4:30pm
NE Fremont at Alameda/37th

We plan some legal challenges if the application is approved by the City. We will have a bake sale with proceeds going towards our legal funds. Please bring something sweet to sell or just come by and buy some treats to help preserve the character of our neighborhood.

Children are welcome—please ask them to draw a picture of what they would rather see at this site and bring it along!
