GENERAL INSTRUCTIONS AND CONDITIONS

DIVERSITY IN EMPLOYMENT AND CONTRACTING REQUIREMENTS – The City of Portland seeks to extend contracting opportunities to Minority Business Enterprises, Women Business Enterprises and Emerging Small Businesses (M/W/ESBs) in order to promote their economic growth and to provide additional competition for City contracts. Therefore, the City has established an overall 20% utilization goal in awarding PTE contracts to ESBs. No goal is set for the use of M/WBE firms, but the City is committed to ensuring that such firms receive opportunities and equal consideration to be awarded City PTE contracts.

CITY SUSTAINABILITY OBJECTIVES – The City has a history of striving to be more sustainable in its operations and planning. Starting with the City's Sustainable City Principles (1994) the City has established a variety of policies to guide its work on sustainability, including: the Sustainable Procurement Policy, Green Building Policy, Climate Action Plan, and the Stormwater Management Manual (to view these and related City policies, go to the Portland Policy Documents Website: <http://www.portlandonline.com/auditor/index.cfm?c=26818>). As applicable to City procurement, these policies guide the City to buy products and services that reduce the City's negative environmental and social impacts, while maintaining fiscal health in the short and long term. As such, the City seeks to do business with firms that will actively contribute to the City's sustainability objectives.

ENVIRONMENTAL CLAIMS – Upon request, the vendor must provide and make publicly available verifiable evidence supporting every environmental claim made about the products or services provided to the City. Environmental claims for which verifiable evidence must be provided include any claim provided on products, product packaging, product or service sales literature and websites, and information provided to respond to this solicitation.

INVESTIGATION – The Proposer shall make all investigations necessary to be informed regarding the service(s) to be performed under this request for proposal.

SPECIAL CONDITIONS – Where special conditions are written in the Request for Proposal, these special conditions shall take precedence over any conditions listed under the Professional, Technical and Expert Service "General Instructions and Conditions".

CLARIFICATION OF REQUEST FOR PROPOSAL – Proposers who request a clarification of the RFP requirements must submit questions in writing to the person(s) shown in the REFER QUESTIONS TO section on the cover of this RFP, or present them verbally at a scheduled pre-submittal meeting, if one has been scheduled. The City must receive written questions no later than the date stated herein. The City will issue a response in the form of an addendum to the RFP if a substantive clarification is in order.

Oral instructions or information concerning the Request for Proposal given out by City bureaus, employees or agents to prospective Proposers shall not bind the City.

ADDENDUM – Any change to this RFP shall be made by written addendum issued no later than 72 hours prior to the proposal due date. The City is not responsible for any explanation, clarification or approval made or given in any manner except by addendum.

COST OF PROPOSAL – This Request for Proposal does not commit the City to pay any costs incurred by any Proposer in the submission of a proposal or in making necessary studies or designs for the preparation thereof, or for procuring or contracting for the services to be furnished under the Request for Proposal.

CANCELLATION – The City reserves the right to modify, revise or cancel this RFP. Receipt and evaluation of proposals or the completion of interviews do not obligate the City to award a contract.

LATE PROPOSALS – Proposals received after the scheduled closing time for filing will be returned to the Proposer unopened.

REJECTION OF PROPOSALS – The City reserves the right to reject any or all responses to the Request for Proposal if found in the City's best interest to do so. In the City's discretion, litigation between the City and a Proposer may be

cause for proposal rejection, regardless of when that litigation comes to the City's attention and regardless how the Proposer's proposal may have been scored. Proposals may also be rejected if they use subcontractors or subconsultants who are involved in litigation with the City. Proposers who are concerned about possible rejection on this basis should contact the City before submission of a proposal for a preliminary determination of whether its proposal will be rejected.

CITY OF PORTLAND BUSINESS LICENSE – Successful Proposer shall obtain a current City of Portland Business License prior to initiation of contract and commencement of the work.

WORKERS' COMPENSATION INSURANCE – Successful Proposer shall be covered by Workers' Compensation Insurance or shall provide evidence that State law does not require such coverage.

CERTIFICATION AS AN EEO AFFIRMATIVE ACTION EMPLOYER – Successful Proposers must be certified as Equal Employment Opportunity Affirmative Action Employers as prescribed by Chapter 3.100 of the Code of the City of Portland. The required documentation must be filed with Procurement Services, City of Portland, prior to contract execution.

EQUAL BENEFITS PROGRAM – Successful Proposers must provide benefits to their employees with domestic partners equivalent to those provided to employees with spouses as prescribed by Chapter 3.100 of the Code of the City of Portland. The required documentation must be filed with Procurement Services, City of Portland, prior to contract execution.

LOCAL CONTRACTING – If the final evaluation scores are otherwise equal, the City prefers goods or services that have been manufactured or produced by a Local Business. The City desires to employ local businesses in the purchase, lease, or sale of any personal property, public improvements or services. The City wants the residents of the State of Oregon and SW Washington to benefit from optimizing local commerce and services, and the local employment opportunities they generate. [\[Resolution #36260\]](#)

CONFLICT OF INTEREST – A Proposer filing a proposal thereby certifies that no officer, agent or employee of the City who has a pecuniary interest in this Request for Proposal has participated in the contract negotiations on the part of the City, that the proposal is made in good faith without fraud, collusion or connection of any kind with any other Proposer of the same request for proposals, and that the Proposer is competing solely in its own behalf without connection with or obligation to, any undisclosed person or firm.

CONFIDENTIALITY – All information submitted by Proposers shall be public record and subject to disclosure pursuant to the Oregon Public Records Act (ORS 192.410 et seq.), except such portions of the proposals for which Proposer requests exception from disclosure consistent with Oregon Law. Any portion of a proposal that the Proposer claims constitutes a "trade secret" or is "confidential" must meet the requirements of ORS 192.501, ORS 192.502 and/or ORS 646.461 et seq. If the entire proposal is marked as constituting a "trade secret" or being "confidential," at the City's sole discretion, such a proposal may be rejected as non-responsive.

If a request to inspect the proposal is made, the City will notify the Proposer of the request. If the City refuses to release the records, the Proposer agrees to provide information sufficient to sustain its position to the District Attorney of Multnomah County, who currently considers such appeals. If the District Attorney orders that the records be disclosed, the City will notify the Proposer in order for the Proposer to take all appropriate legal action. The Proposer further agrees to hold harmless, defend and indemnify the City for all costs, expenses and attorney fees that may be imposed on the City as a result of appealing any decision regarding the Proposer's records.

The Chief Procurement Officer has the authority to waive minor irregularities and discrepancies that will not affect the competitiveness or fairness of the solicitation and selection process.

These Professional, Technical and Expert Services Request for Proposal "General Terms and Conditions" are not to be construed as exclusive remedies or as a limitation upon rights or remedies that may be or may become available under ORS Chapter 279.

PART I

CONTRACT REQUIREMENTS

SECTION A

GENERAL INFORMATION

1. INTRODUCTION

The Portland Bureau of Planning and Sustainability (BPS) promotes integrated land use planning and development based on sustainability principles and practices. BPS also develops and implements policies and programs that provide environmental, economic and social benefits to residents, businesses and government, which strengthen Portland's position as an international model of sustainable practices and commerce.

2. BACKGROUND

The City of Portland's 2009 Climate Action Plan (<http://www.portlandonline.com/bps/index.cfm?c=49989&>) established the goal of producing 10 percent of the total energy used within Multnomah County from on-site renewable sources and clean district energy systems by 2030. To support this goal, the City hired a consultant to perform a feasibility study of a neighborhood district energy system to supply space heating, space cooling and domestic hot water to existing and new buildings in the North Pearl District. This study documented the potential business case for a district energy system in the North Pearl District (attached).

For the past year, the City has been working with partners to analyze and gauge the feasibility of a range of neighborhood-scale utility investments. The City finds that District Energy (DE) investments are likely to be among the most economically viable and environmentally beneficial strategies to reduce energy use and carbon emissions.

3. SCOPE OF WORK

The City of Portland, Bureau of Planning and Sustainability is seeking proposals from individuals, firms, teams or consultants, hereafter called "Proposer(s)," with demonstrated experience in district energy development, financing and ownership, and proposes to engage the successful Proposer for the following services:

- b. Performing research and reporting on district energy (DE) ownership, financing and development strategies, including an analysis of opportunities and barriers.
- c. Developing an outreach plan and providing education to the community about the benefits of DE systems.

4. PROJECT FUNDING

The anticipated cost for the services described herein is \$50,000. The Proposer's proposal shall include the Proposer's true estimated cost to perform the work irrespective of the City's budgeted funds for this work.

5. TIMELINE FOR SELECTION

The following dates are proposed as a timeline for this project:

PART III

PROPOSAL EVALUATION

SECTION A

PROPOSAL REVIEW AND SELECTION

1. EVALUATION CRITERIA SCORING

Each proposal shall be evaluated on the following evaluation criteria, weighting and maximum points, as follows:

Criteria		Maximum Score
a.	Cover Letter	0
b.	Project Team	20
c.	Proposer's Capabilities	25
d.	Project Approach and Understanding	30
e.	Diversity in Employment and Contracting	15
f.	Proposed Cost	10
Total Points Available		100

2. PROPOSAL REVIEW

An evaluation review committee will be appointed to evaluate the proposals received. For the purpose of scoring proposals, each committee member will evaluate each proposal in accordance with the criteria and point factors listed above. The evaluation committee may seek outside expertise, including but not limited to input from technical advisors, to assist in the evaluation process.

The successful Proposer shall be selected by the following process:

- An evaluation committee will be appointed to evaluate submitted written proposals.
- The committee will score the written proposals based on the information submitted according to the evaluation criteria and point factors.
- The committee will require a minimum of 5 working days to evaluate and score the written proposals.
- A short list of Proposers, based on the highest scores, may be selected for oral interviews if deemed necessary. The City reserves the right to increase or decrease the number of Proposers on the short list depending on the scoring and whether the Proposers have a reasonable chance of being awarded a contract.
- If oral interviews are determined to be necessary, the scores from the written proposals will be considered preliminary. Final scores, based on the same evaluation criteria, will be determined following the oral interviews.

All communications shall be through the contact(s) referenced in Part II, Section A.2 of the RFP. At the City's sole discretion, communications with members of the evaluation committee, other City staff or elected City officials for the purpose of unfairly influencing the outcome of this RFP may be cause for the Proposer's proposal to be rejected and disqualified from further consideration.

For contracts over \$100,000, the evaluation committee's recommendation for contract award will be submitted to the Portland City Council for approval. The City has the right to reject any or all proposals for good cause, in the public interest.

NOTE: In the City's discretion, litigation between the City and a Proposer may be cause for proposal rejection, regardless of when that litigation comes to the City's attention and regardless how the Proposer's proposal may have been scored. Proposals may also be rejected if they use subcontractors or subconsultants who are involved in litigation with the City. Proposers who are concerned about possible rejection on this basis should contact the City before submission of a proposal for a preliminary determination of whether its proposal will be rejected.

3. CLARIFYING PROPOSAL DURING EVALUATION

At any point during the evaluation process, the City is permitted, but is not required, to seek clarification of a proposal. However, a request for clarification does not permit changes to a proposal.

SECTION B

CONTRACT AWARD

1. CONSULTANT SELECTION

The City will attempt to reach a final agreement with the highest scoring Proposer. However, the City may, in its sole discretion, terminate negotiations and reject the proposal if it appears agreement cannot be reached. The City may then attempt to reach a final agreement with the second highest scoring Proposer and may continue on, in the same manner, with remaining proposers until an agreement is reached. A consultant selection process will be carried out under Portland City Code Chapter 5.68.

2. CONTRACT DEVELOPMENT

The proposal and all responses provided by the successful Proposer may become a part of the final contract. The form of contract shall be the City's Contract for PTE Services.

3. AWARD REVIEW AND PROTESTS

REVIEW:

Following the Notice of Intent to Award, the public may view proposal documents. However, any proprietary information so designated by the Proposer as a trade secret or confidential and meeting the requirements of ORS 192.501, 192.502 and/or ORS 646.461 et seq., will not be disclosed unless the Multnomah County District Attorney determines that disclosure is required. At this time, Proposers not awarded the contract may seek additional clarification or debriefing, request time to review the selection procedures or discuss the scoring methods utilized by the evaluation committee.

PROTESTS OF CONTRACT AWARDS:

Protests may be submitted to the Chief Procurement Officer only for formal solicitations resulting in contract(s) individually valued at or above the Formal Solicitation Process Dollar Threshold (reference www.portlandonline.com/omf/index.cfm?c=44169&a=74585), and only from those Proposers who would receive the contract if their protest was successful.

Protests must be in writing and received by the Chief Procurement Officer within seven (7) calendar days, UNLESS OTHERWISE NOTED, following the date the City's [Notice of Intent to Award](#) was issued. The protest must specifically state the reason for the protest and show how its proposal or the winning proposal was mis-scored or show how the selection process deviated from that described in the solicitation document. No contract will be awarded until the protest has been resolved.

Protests must be timely and must include all legal and factual information regarding the protest, and a statement of the form of relief requested. Protests received later than specified or from other than the Proposer who would receive the contract if the protest was successful will not be considered. The exercise of judgment used by the evaluators in scoring the written proposals and interviews, including the use of outside expertise, is not grounds for appeal.

The Chief Procurement Officer may waive any procedural irregularities that had no material effect on the selection of the proposed contractor, invalidate the proposed award, amend the award decision, request the evaluation committee re-evaluate any proposal or require the bureau to cancel the solicitation and begin again to solicit new proposals. In the event the matter is returned to the evaluation committee, the Chief Procurement Officer shall issue a notice canceling the Notice of Intent to Award.

Decisions of the Chief Procurement Officer are final and conclude the administrative appeals process.

4. KICK-OFF MEETING

If requested by the City, the successful Proposer shall begin work by attending an orientation meeting to take place within 14 calendar days following execution of the contract. The successful Proposer shall then develop and maintain a comprehensive schedule for all elements of the project.
